Assalamu Alikum Warahmatu Allahi Wabarakatuhu

Sheikh , may Allah gives you and all Mujahdeen in Iraq goodness and wellness
Now we can start the questions

Why did you leave everything and have chosen this path , that you can rest in your house as the public people do? And how to resist the enemies who have all means to fight you , and you have little means?

Praise be to Allah , Peace due to last prophets and messengers , the consequence to the reconciling Allah , that he has guided me to this path , thanks all thanks due to Allah may Allah (SWT) make this for the sake of him , this is my destiny written by Allah , thanks and praise be to Allah .

You Amir Al-Mujahdeen , how do you see the situation of ummah these days , is it getting better or worse?

My brother in Islam I am only a servant of Allah's religion and not Amir for Mujahddeen the Mujahdeen in Ansar Al-Sunnah made me Amir of them , I am not better than them , it is really a great responsibility , may Allah help me to perform it

The situation in Iraq is getting worse day by day , the reason of that is the conflicts and dispersions and everyone adheres to his opinion - There is no might nor power except with Allaah - , the weakness happened because of that Ahlu Alsunah abandoned Al-

Mujahideen , and there are active efforts to reconnecting Ahlu Al – sunah and Mujahdeen , may Allah make this easy to us .

How is the situation of Mujahdeen in Iraq ? do Murtad (apostate) government still strong got affected after departure of America ?

Rafidis government isn't strong , it's rapped from the inside , but we need to rectify what mess up between us and Allah and between each other .

How is the situation of Iraqi army which work for the crusaders?

The Iraqi army are disjointed and can't stand in front of mujahdeen if they rectify their conditions and if Ahlu Alsunah encircle them .

Do all Mujahdeen groups cooperating with each other , do all of them working with Al - Qaida ? that groups who Al-Qaida established with the name (Islamic state of Iraq)? Are all Mujahdeen together under its flag or some of them?

No , it isn't like what you mentioned in your question, they are scattered

Why Mujahdden don't fight Murtad (apostate) government under one banner?

There are a lot of reasons , it's long to explained , the most important reason is that the conflicts and dispersions and they accuse each other by disinformation and immorality and even kufr and Ridah – There is no might nor power except with Allah

Is there in Iraq some areas practicing Islamic shariah?

I don't know about this areas , after it was establishing shariah in Baiarah in northern Iraq , and anything except this is only attempts here and there .

do Mujahdeen from Ansar Al-Sunnah speacially , and from Iraq generally involved in Sham Jihadist? We hear that Mujahdeen prefer these days to go to jihad in Sham than Iraq?

Praise to Allah , we have participating in Jihad in Sham , and collaborate them as we can like other Jihadist .

Can you train brothers from outside Iraq in the Iraq? If some of our brothers from Afaganistan want to access to Iraq by Kuwait for training , is this possible or difficult?

It's difficult nowadays

Do public people love and want you or not?

The matter is not like this because of false and fabricated news , we ask Allah wellness .

A man from public people , he doesn't know much about Islam , he has zeal and love to Islam , he wants to do Hijra (immigration) to Iraq for Jihad , to which areas heading , and where to participate , and which area he should looking for true Mujahdeen?

It's difficult nowadays

I want to know your opinion about afagani Mujahdeen?

May Allah who has all power to achieve victory to Afagani Mujahdeen and restore their glory , and lets our eyes pleasure to see Islamic Talibani government , he has all power to do this .

You have visited Islamic state of Afaganistan , how did you find Taliban and their government's method?

They were okay , despite irregularities legitimacy , it is truly Islamic Emirate , may Allah support and restore its glory .

Do you have the same extremism, which was at the time of Taliban. For example,they punish the person who does not have a beard and so forth, you would do the same way if the emirate reached your hands in the future?

These mistakes in the practices of some of them, the right is to be kind with people and take the way of promotion of virtue kindly, and by calling for the promotion of virtue with virtue and prevention of vice without vice , until we come to establish religion as a whole, as is the way of the Prophet, peace be upon him, and his companions after him

You have a lot of expert and skilled engineers and others, haven't you any way to bring down the drones?

I don't know , however the usual means of dealing with aircraft weapons are resistance .

How is your dealings with non- Muslims , do you take them Jezia (tax)?

This should be after Muslims superiority by establishment of Islamic state

•

There are a lot of fronts in the world and each front has Amir , can all Mujahdeen be

under one emirate so that if the caliphate established he should be Amir of all Mujahdeen and Muslims?

Preventing that is differences and conflicts and many claim they deserve the emirate

What do you say about the conditions in Libya and Tunisia , I hope that you indicate the role of the Ekhwan Al –Muslimeen ?

The brothers there should seek to establish Islamic law with wisdom and call to Allah, if anyone stop in their faces they should struggle and fight him .

One brother says that , your article has been translated by Jama hafsah forum which is supervised by Al-Ahnaf , although I am Salafi I am working with them too , because all of us working against one enemy , but some Salafi brothers prevents me working with Ahnaf , am I wrong in this?

Ahlu –Alsunah and Ahlu –Albidah are one ummah , and they are one hand against others , and there is no legitimate reason for not cooperating with them with the duty to advise them and call them to Tawhed and Sunnah and we have Salaf in this , sheikh Al-Islam Bin Taimia collected the Ummah and no one exception in the face and fight of the Tatars .

I read for you a compliment for sheikhs like Abu Muhamed Al Magdisi , Abu Basir Al-Tartosi , Abu –Gatada Al-Falastini , note that the sheikh Abu- Muhammad Al-Magdisi had attacked the political council of the Iraqi resistance that you are one of its members , and criticized it , what is your response to this issue?

I don't know what Abu Muhammed Al Magdisi think about political council , which immobilized since many years , and a council was disjointed each faction has its vision and the attitude is different from the other , in addition to many of the accusation that had been assigned to it unjustly and I personally objected to many of the positions and the statements of its secretary- general and the following is one of my responses to him in an official site :

In the name of Allah

we have saw as stated by the secretary- general of the political council of the Iraqi resistance (Ali Al- Jabori) for Hayat magazine in a meeting in Istanbul on June 13/2010 reprehensible saying , if it is proven , the Ansar Al-Sunnah group which is one of the mentioned factions declares its innocence in which he said , the statements don't agree with shariah law , and constants for which the political council has established ,and it is the vilest his saying : (we don't seek to establish an Islamic state and never ask this) but we say that the end to which we aspire and call for it , and upon which our jihad is done , is to establish the state of Islam with all our strength and means which it is the hope of every Muslim after long absence from the reality of Muslims , and every steps or project we want to do has to achieve this goal or go long way to reach it . Allah almighty said : (And whoever does not judge by what Allah has revealed - then it is those who are the

disbelievers)) Al –Maeda/44.

and said :(And whoever does not judge by what Allah has revealed - then it is those who are the wrongdoers) Al-Maeda/47 ,

and said :(And whoever does not judge by what Allah has revealed - then it is those who are the defiantly disobedient) Al-Maeda/45.

As for his saying: (any regime agreed upon by the Iraqis we will be with him) we seek refuge in Allah to accept any regime contrasts with the rule of Allah. Not many, nor in a few . The satisfaction of any rule which is not the judgment of Allah is Kufr, Allah forbid. Sheikh Mohammed Bin Ibrahim Al-Sheikh ,may Allah have mercy on him , said in a letter of arbitration laws (One of the major kufr , make the dreaded law in the same status of what was revealed by the spirit (Jibril) , at the heart of Muhammad peace be upon him , to be one of warners ,with clear Arabic language ,Allah almighty says : (And if you disagree over anything, refer it to Allah and the Messenger, if you should believe in Allah and the Last Day. That is the best [way] and best in result) Al –Nissaa 59 . Allah almighty has denied the faith for those who have not govern the Prophet, peace be upon him in the disputes between them, , stressing repeatedly using negation and oath , Allah almighty said : (But no, by your Lord, they will not [truly] believe until they make you, [O Muhammad], judge concerning that over which they dispute among themselves and then find within themselves no discomfort from what you have judged and submit in [full, willing] submission) Allah did not just ask them to the arbitration of the Prophet (peace be upon him), He even add to that the absence of any discomfort in themselves, saying (and then find within themselves no discomfort from what you have judged) and discomfort means narrow. They need to be widening their chests for that and integrity of anxiety and unrest . Allah almighty did not only order to add these two things till they add submission (the entire following to the prophet's rule peace be upon him ,so they get rid of anything in their selves , and submit to the true judge with complete submission and this was confirmed by saying (in [full, willing] submission) it is not a submission but a full willing submission ,

Muhammed Ben Ibrahim Alu A--Sheikh 12/295 .

Good governance is the Allah's law and his messenger . whoever obeys Allah and His Messenger, has guided and whoever disobeys Allah and His Messenger, has strayed , The conditions of decision makers is to be Muslims and adhere to religion not just affiliation to home , there is no difference between foreign Kafir and national kafir , because kufr is one doctrine ,this is what we wanted to warn about , and I am acquitted of everything that contradicts it, and we make it clear that our stances and policies are taken only from our statements in our official site .

peace and mercy be upon prophet and all his companions .

Amir of Ansar Al –Sunnah group .

Is there any message to the jihadist media , especially for Jama Hafsa forum?

I tell you and the other of Muslims don't listen to all what is being said in the media about attitudes and behaviors that are attributed to your brothers , you should make sure and be ascertain at first. Because you will be asked in the day of judgment , Allah said:(O

you who have believed, if there comes to you a disobedient one with information, investigate, lest you harm a people out of ignorance and become, over what you have done, regretful) Al Hujrat /6 ,
Abu Hurayrah may Allah be pleased with him said that the prophet peace be upon him said : (It is enough lying for a man to speak of everything that he hears) .

Peace be upon you and Allah`s mercy and blessings
